

**NOTICE OF INTENT TO REPEAL EXISTING  
RULE 410-6-.02 APPLICANTS FOR LICENSURE BY EXAMINATION,  
AND ADOPT A NEW RULE OF THE SAME NAME  
OF THE GEORGIA BOARD OF NURSING  
AND NOTICE OF PUBLIC HEARING**

**TO ALL INTERESTED PERSONS AND PARTIES:**

Notice is hereby given that pursuant to the authority set forth below, the Georgia Board of Nursing (hereinafter "Board") proposes to repeal Rule 410-6-.02, *Applicants for Licensure by Examination* and adopt a new rule with the same title in its place. The proposed new rule specifies the requirements that graduates for initial licensure must meet.

This notice, together with an exact copy of the synopsis of the proposed amended rule, is being mailed to all persons who have requested, in writing, that they be placed on a mailing list. A copy of this notice, an exact copy of the synopsis of the proposed amended rule may be reviewed during normal business hours of 8:00 a.m. to 5:30 p.m. Monday through Friday, except official State holidays, at the Office of the Secretary of State, Professional Licensing Boards Division, 237 Coliseum Drive, Macon, Georgia 31217. These documents will also be available for review on the Georgia Board of Nursing's web page at [www.sos.georgia.gov/plb/rn](http://www.sos.georgia.gov/plb/rn). Copies may also be requested by contacting the Georgia Board of Nursing office at (478) 207-2440.

A public hearing is scheduled to begin at 10:30 a.m. on October 28, 2009 at the Professional Licensing Boards Division, located at 237 Coliseum Drive, Macon, Georgia to provide the public an opportunity to comment upon and provide input into the amendment. At the public hearing, anyone may present data, make a statement, comment or offer a viewpoint or argument whether orally or in writing. Lengthy statements or statements of a considerable technical or economic nature, as well as previously recorded messages, must be submitted for the official record. Oral statements should be concise and will be limited to 5 minutes per person. Additional comments should be presented in writing. Written comments are welcome. To ensure their consideration, written comments must be received on or before October 21, 2009. Written comments should be addressed to Randall Vaughn Division Director, Secretary of State, Professional Licensing Boards Division, Georgia Board of Nursing, 237 Coliseum Drive, Macon, Georgia 31217. FAX: 478-207-1660.

The proposed amended rule will be considered for adoption by the Georgia Board of Nursing at its meeting scheduled to begin at 10:35 a.m. October 28, 2009 at the Professional Licensing Boards Division at 237 Coliseum Drive, Macon, Georgia 30217. According to legal advice rendered by the Department of Law, State of Georgia, the Georgia Board of Nursing has the authority to amend rule 410-6-.02, pursuant to authority contained in O.C.G.A. §§ 43-1-25, 43-26-3, 43-26-5, 43-26-7, and 43-26-8.

In accordance with the provisions of O.C.G.A. § 50-13-4 (a) (4), the Board voted at its board meeting on September 25, 2009, that the formulation and adoption of this rule does not impose excessive regulatory cost on any licensee and that any cost to comply with the proposed rule

cannot be reduced by a less expensive alternative that fully accomplishes the objectives of O.C.G.A. §§ 43-1-25, 43-26-3, 43-26-5, 43-26-7, and 43-26-8.

The Board also voted at its board meeting on September 25, 2009, that, in order to meet the objectives of O.C.G.A. §§43-1-25, 43-26-3, 43-26-5, 43-26-7, and 43-26-8, it is not legal or feasible to adopt or implement differing actions for businesses as required by the provisions of O.C.G.A. § 50-13-4(a)(3)(A), (B), (C) and (D). The formulation and adoption of this rule will impact every licensee in the same manner and will have the same impact on each business that is independently, owned and operated in the field of nursing.

For further information, contact the Board office at 478-207-2440.

This notice is given in compliance with O.C.G.A. § 50-13-4.

This 25<sup>th</sup> day of September, 2009.

**SYNOPSIS OF PROPOSED RULE TO THE  
GEORGIA STATE BOARD OF NURSING RULES  
RULE 410-6-.02**

**PURPOSE:** The purpose of this new rule is to update the Board's rules so that it is current with existing law.

**MAIN FEATURE:** The main feature of this new rule is to bring it current with the law governing application for licensure.

**DIFFERENCES BETWEEN THE EXISTING RULE AND  
THE PROPOSED AMENDMENTS TO  
THE GEORGIA BOARD OF NURSING RULES, CHAPTER 410-6 *LICENSURE BY  
EXAMINATION*; RULE 410-6-.02 *APPLICANTS FOR LICENSURE BY EXAMINATION***

**NOTE:** Underlined text is proposed to be added; lined through text is proposed to be deleted.

**410-6-.02 Applicants for Licensure by Examination.**

~~(1) In order to establish eligibility, an applicant for the licensing examination must:~~

~~(a) have graduated from a nursing education program approved by Georgia Board of Nursing, from a nursing education program in another NCLEX-RN jurisdiction approved by its Board of Nursing, or from a nursing education program approved by appropriate authorities in its territory, province, state, district, or country which meets criteria similar to, and not less stringent than, those established by this Board.~~

~~(b) submit a completed application, on the appropriate Board form, accompanied by the required fee. An application is active for one year, after which a new application and fee are required.~~

~~(c) request the educational institution to submit an official transcript which bears the institution's stamp/seal, date of graduation and the degree/diploma conferred.~~

~~(2) In order to establish eligibility, an applicant who has graduated from an out-of-country nursing education program must request or provide the following in addition to criteria in 410-6-.02(1):~~

~~(a) verification of current registered nurse licensure in another territory, province, state, district, or country directly from the licensing board;~~

~~(b) transcript as specified in 410-6-.02(1)(c) in English or accompanied by a certified English language translation directly from the school, another licensing Board, or the Commission on Graduates of Foreign Nursing Schools (CGFNS);~~

~~(c) if a curricular deficiency(ies) must be remediated, an official transcript documenting passing of the course(s) must be submitted directly by an approved educational institution;~~

~~(d) documentation directly from the Educational Testing Service of a score of 500 (paper) or 173 (computer) on the Test of English as a Foreign Language (TOEFL) and 50 on the Test of Spoken English (TSE) for an applicant whose native language is not English. As of September 1, 2001, in lieu of the previously required English language tests, an applicant has one of two options: Request the Commission on Graduates of Foreign Nursing Schools (CGFNS) to provide documentation of CGFNS certification directly to the Board office. Request the Commission on Graduates of Foreign Nursing Schools' (CGFNS) Credentials Evaluation Service to provide a~~

Nursing and Science Course-by-Course Report directly to the Board office. In addition, the Educational Testing Service must be requested to provide documentation of a score of 540 (paper) or 207 (computer) on the Test of English as a Foreign Language (TOEFL) directly to the Board office. Certain applicants may be exempt from the TOEFL requirement if they meet all of the following criteria: native language is English; country of initial nursing education was Australia, Bermuda, Canada, Ireland, Jamaica, New Zealand, South Africa, Trinidad, or the United Kingdom; language of instruction was English; and language of textbooks was English. International applicants who are currently licensed by endorsement in a United States jurisdiction shall be exempt from options (1) and (2).

(e) documentation of three (3) months or 500 hours of licensed practice as a registered nurse in another territory, province, state, district or country during the four (4) years immediately preceding the date of current application;

(f) an applicant who is unable to meet the requirement of 410-6-.02(2)(e) must satisfactorily complete 160 hours, or amount specified by the Board, of relevant nursing practice. Relevant nursing practice is any practice in which the job description requires a current, valid registered nurse license in the state of practice. The applicant who is engaging in relevant nursing practice must meet the following criteria:

1. be supervised/mentored by a registered nurse who holds a current valid license in the state/country in which the practice occurs;
2. submit a calendar/outline for the period of nursing practice for Board approval;
3. hold a temporary permit prior to beginning the period of nursing practice including orientation to the job, if applicable;
4. present the temporary permit to the supervising registered nurse prior to beginning the relevant nursing practice;
5. complete the relevant nursing practice within the six (6) month period in which the temporary permit is issued;
6. request the supervising R.N. to verify in writing, on a form provided by the Board, that the applicant has satisfactorily completed the relevant nursing practice;
7. return the temporary permit immediately if the relevant nursing practice is not begun or completed.

(3) Each applicant must apply directly to the test service for each NCLEX-RN.

(4) An applicant who is under investigation for possible violation of the Nurse Practice Act shall be permitted to take the examination.

(5) An applicant who passes the licensing examination and is under investigation for possible violation of the Nurse Practice Act may not be issued a license until the matter is resolved to the satisfaction of the Board. If charges are substantiated, the license may be denied or sanctioned despite the applicant meeting all other criteria for licensure.

(6) Application for Licensure by Examination for Repeat Writers:

(a) An applicant who fails the licensing examination is not eligible for a license or for practice as a registered professional nurse in Georgia.

(b) An applicant who fails the licensing examination must complete a new application accompanied by the required fee.

#### **410-6-.02 Applicants for Licensure by Examination.**

**(1) Graduates of traditional nursing education programs:** Applicants for licensure by

examination who have graduated from a board approved program as defined in O.C.G.A. § 43-26-3(1.2), and which program meets criteria similar to and not less stringent than those established by the Board, shall establish eligibility for the licensing examination by filing the following:

(a) a completed application, on the appropriate board form, accompanied by the required fee. An application is active for one year, after which a new application and fee are required;

(b) completed information and forms needed to submit the results of a fingerprint record check as required by O.C.G.A. § 43-26-7(4); and

(c) any additional information requested by the board needed to establish eligibility.

**(2) Graduates of nontraditional nursing education programs:**

(a) Applicants for licensure for examination who have graduated from a nontraditional nursing education program approved by the board, and which program meets the requirements of O.C.G.A. 43-26-7 (e), shall establish eligibility for the licensing examination by filing the following:

1. a completed application, on the appropriate board form, accompanied by the required fee. An application is active for one year, after which a new application and fee are required.

2. completed information and forms needed to submit the results of a fingerprint record check as required by O.C.G.A. § 43-26-7(b) (4); and

3. any additional information requested by the board needed to establish eligibility.

(b) The application shall contain the following information:

1. If the applicant entered the non traditional nursing education program as a licensed practical nurse ("LPN"):

i. the date of entry and the date of graduation from the non traditional nursing education program;

ii. the years of clinical experience in a health care facility as a LPN as of the date of entry into the non traditional nursing education program;

iii. a transcript of applicant's LPN nursing education showing clinical training in pediatrics, obstetrics/gynecology, medical-surgical, and mental illness, if any;

iv. a transcript of applicant's non traditional nursing education; and

v. information about a postgraduate preceptorship to be arranged by the applicant for 350 hours if the LPN has at least three (3) years of clinical experience in a health care facility as a LPN upon entry into the nontraditional nursing education program; and

vi. information about a postgraduate preceptorship to be arranged by the applicant for 700 hours if

the LPN has less than three years of clinical experience in a health care facility as a LPN upon entry into the nontraditional nursing education program .

2. If the applicant entered the non traditional nursing education program as a military medical corpsman or a paramedic:

i. the date of entry and the date of graduation from the non traditional nursing education program;

ii. a transcript of applicant's non traditional nursing education; and

iii. information about a 700 hour postgraduate preceptorship to be arranged by the applicant that complies with the statutory requirements and board policies and rules.

3. Applicants who entered a nontraditional nursing education program that meets the requirements of O.C.G.A. § 43-36-7 (e) before July 1, 2008, and complete the program no later than June 30, 2011, shall be deemed to have met the criteria for licensure by examination stated in O.C.G.A. § 43-26-7(b) (2) (B). However, the board, in its discretion, may require additional clinical hours of experience prior to licensure for such applicants who:

i. did not enter the non traditional nursing education program as a LPN; or

ii. entered the non traditional program as a LPN but who do not have at least one year of clinical experience in a health care facility as a LPN.

**(3) Graduates of nursing education programs located outside of the United States.**

(a) In order to establish eligibility for examination, an applicant who has graduated from an out-of-country nursing education program must request or provide the following information in addition to criteria contained in paragraph (1) of this rule:

1. verification of current registered nurse licensure in another territory, province, state, district, or country directly from the licensing board;

2. academic transcript from the applicant's nursing education program in English or accompanied by a certified English language translation directly from the school, another licensing Board, or the Commission on Graduates of Foreign Nursing Schools (CGFNS);

3. if a curricular deficiency(ies) must be remediated, an official transcript documenting passing of the course(s) must be submitted directly by an approved educational institution;

4. documentation directly from the Educational Testing Service of a score of 500 (paper) or 173 (computer) on the Test of English as a Foreign Language (TOEFL) and 50 on the Test of Spoken English (TSE) for an applicant whose native language is not English. As of September 1, 2001, in lieu of the previously required English language tests, an applicant has one of two options: (1) either request the Commission on Graduates of Foreign Nursing Schools (CGFNS) to provide documentation of CGFNS certification directly to the Board office; or (2) request the Commission on Graduates of Foreign Nursing Schools' (CGFNS) Credentials Evaluation Service to provide a Nursing and Science Course-by-Course Report directly to the Board office.

In addition, the Educational Testing Service must be requested to provide documentation of a score of 540 (paper) or 207 (computer) on the Test of English as a Foreign Language (TOEFL) directly to the Board office. Certain applicants may be exempt from the TOEFL requirement if they meet all of the following criteria: native language is English; country of initial nursing education was Australia, Bermuda, Canada, Ireland, Jamaica, New Zealand, South Africa, Trinidad, or the United Kingdom; language of instruction was English; and language of textbooks was English. International applicants who are currently licensed by endorsement in a United States jurisdiction shall be exempt from options (1) and (2).

(b) Prior to licensure by the board, the applicant must document three (3) months or 500 hours of licensed practice as a registered nurse in another territory, province, state, district or country during the four (4) years immediately preceding the date of current application;

(c) Prior to licensure by the board, an applicant who is unable to meet the requirement of paragraph (3) (e) of this rule must satisfactorily complete 160 hours, or an amount specified by the Board, of relevant nursing practice. Relevant nursing practice is any practice in which the job description requires a current, valid registered nurse license in the state of practice. The applicant who is engaging in relevant nursing practice must meet the following criteria:

1. be supervised/mentored by a registered nurse who holds a current valid license in the state/country in which the practice occurs;
2. submit a calendar/outline for the period of nursing practice for Board approval;
3. hold a temporary permit prior to beginning the period of nursing practice including orientation to the job, if applicable;
4. present the temporary permit to the supervising registered nurse prior to beginning the relevant nursing practice;
5. complete the relevant nursing practice within the six (6) month period in which the temporary permit is issued;
6. request the supervising RN to verify in writing, on a form provided by the Board, that the applicant has satisfactorily completed the relevant nursing practice;
7. return the temporary permit immediately if the relevant nursing practice is not begun or completed.

(4) **Licensing Examination.** After submitting a completed application and obtaining approval for examination from the board, each applicant must apply directly to the examination testing service each time the NCLEX-RN examination is taken.

(5) **Passage of licensing examination.** After approval by the board to take the licensing examination, applicants for examination must pass a board recognized licensing examination prior to licensure. Such examination may not be taken prior to graduation from an approved nursing education program. The passage of such examination by a graduate of a non traditional nursing education program who does not meet the other requirements of licensure under the

provisions of O.C.G.A. § 43-26-7 shall not authorize such individual to practice nursing or to require the board to license such individual other than to issue, in its sole discretion, a temporary permit pursuant to O.C.G.A. § 43-26-8.

(6) **Temporary permits.** The board may issue a temporary permit, in the sole discretion of the board, to an applicant for the purpose of practicing nursing as a part of a board approved preceptorship as provided in O.C.G.A. § 43-26-8. The temporary permit shall be effective for a period of six months from the date of issuance and may be renewed only one time for an additional six month period.

(7) **Applicants under investigation.**

(a) An applicant who is under investigation for possible violation of the Georgia Registered Professional Nurse Practice Act shall be permitted to take the examination.

(b) An applicant who passes the licensing examination and is under investigation for possible violation of the Act may not be issued a license until the matter is resolved to the satisfaction of the Board. The license may be denied or sanctioned despite the applicant meeting all other criteria for licensure.

(8) **Application for Licensure by Examination by Repeat Writers:**

(a) An applicant who fails the licensing examination is not eligible for a license or to practice as a registered professional nurse in Georgia.

(b) An applicant who fails the licensing examination must complete a new application for licensure, accompanied by the required fee, and all information required to complete the new application.

(9) **Defined Terms.** For the purposes of this Rule, the terms below are defined as follows:

1. “Approved nursing education program” or “board approved program” means a nursing education program located in Georgia or outside of Georgia that has been approved as meeting criteria established by the board and has met the provisions of O.C.G.A. § 43-26-3 (1.2).

2. “Board” means the Georgia Board of Nursing.

3. “Clinical experience” or “clinical practice” means the “hands on” clinical practice of nursing.

4. “Health care facility” means an acute care “inpatient” hospital.

5. “Preceptorship” means a program of clinical experience or clinical practice approved by the board in which an applicant gains a stated number of hours of clinical experience or clinical practice in a health care facility located in Georgia. During the preceptorship, the applicant must be under the supervision of a preceptor that is a Georgia licensed RN who is:  
1. located in Georgia; 2. has a minimum of 18 months experience in an acute care practice

setting; and 3. has no history of disciplinary action with a licensing board. Prior to board approval, a written letter of agreement between the applicant and RN preceptor shall be filed with the board that is written on letterhead stationary of the designed Georgia health care facility, clearly states the location of the preceptorship, and is signed by the applicant, Preceptor, and a representative of the health care facility where the preceptorship is to occur. Successful completion of the preceptorship shall be verified in writing by the preceptor prior to licensing.

6. “Non traditional nursing education program” means a nursing education program that has been approved by the board and meets all the requirements of O.C.G.A. § 43-26-7(3).

8. “Year” means a minimum of 1800 hours. For example, one year of clinical experience or clinical practice means a minimum of 1800 hours of clinical experience or clinical practice.

Authority O.C.G.A. §§ 43-1-25, 43-26-3, 43-26-5, 43-26-7, and 43-26-8.
